Mr. G. M. West, President, (Personal)

Bank of Panama City,

Panama City, Fla.

Dear Sir:-

We acknowledge receipt of your favor of the 2nd enclosing affidavit setting forth the loss of your policy and would advise that duplicate policy will be issued and forwarded under separate cover in due course. We note your advice that Adella M. West, your wife, who was the beneficiary under this insurance, is deceased, and ^{as} such evidence would ultimately be required we would ask that you clear it up at this time inasmuch as the question is now before us. Will you kindly complete this affidavit and have your statement substantiated either by certificate from the Court records or have the attending physician complete the lower portion of the certificate.

Very truly yours,

Earl D. Church
